All Times in **bold** are PM runs. All other times are AM.

RIDER NOTICE

Times listed are ETA's for each bus. Any time after initial pick up stop is not guaranteed and is subject to change due to Traffic and inclement weather. Please allow yourself additional travel time for this purpose.

Please remember to give yourself the proper amount of time for check in at the airport:

Domestic flights: **2 hour** grace period minimum.

International flights: **2.5 hour** grace period minimum.

Foreign travelers, we advise you to make the proper judgement calls prior to your departure to NYC, such as contacting your bank and cell phone services to allow international transactions and calling upon your arrival into New York to prevent any hassle or delay.

Due to limited space per coach, we strongly advise that big bags are not brought with passengers. There will be a surcharge added to each passengers ticket for oversized bags due to spacing. Passengers must pay for their oversized bag at checkout along with their ticket. Any passengers that show up for their reserved service with an oversized bag and did not pay for their fee at checkout will have to pay a higher fee at boarding time and only if there is still luggage space available.

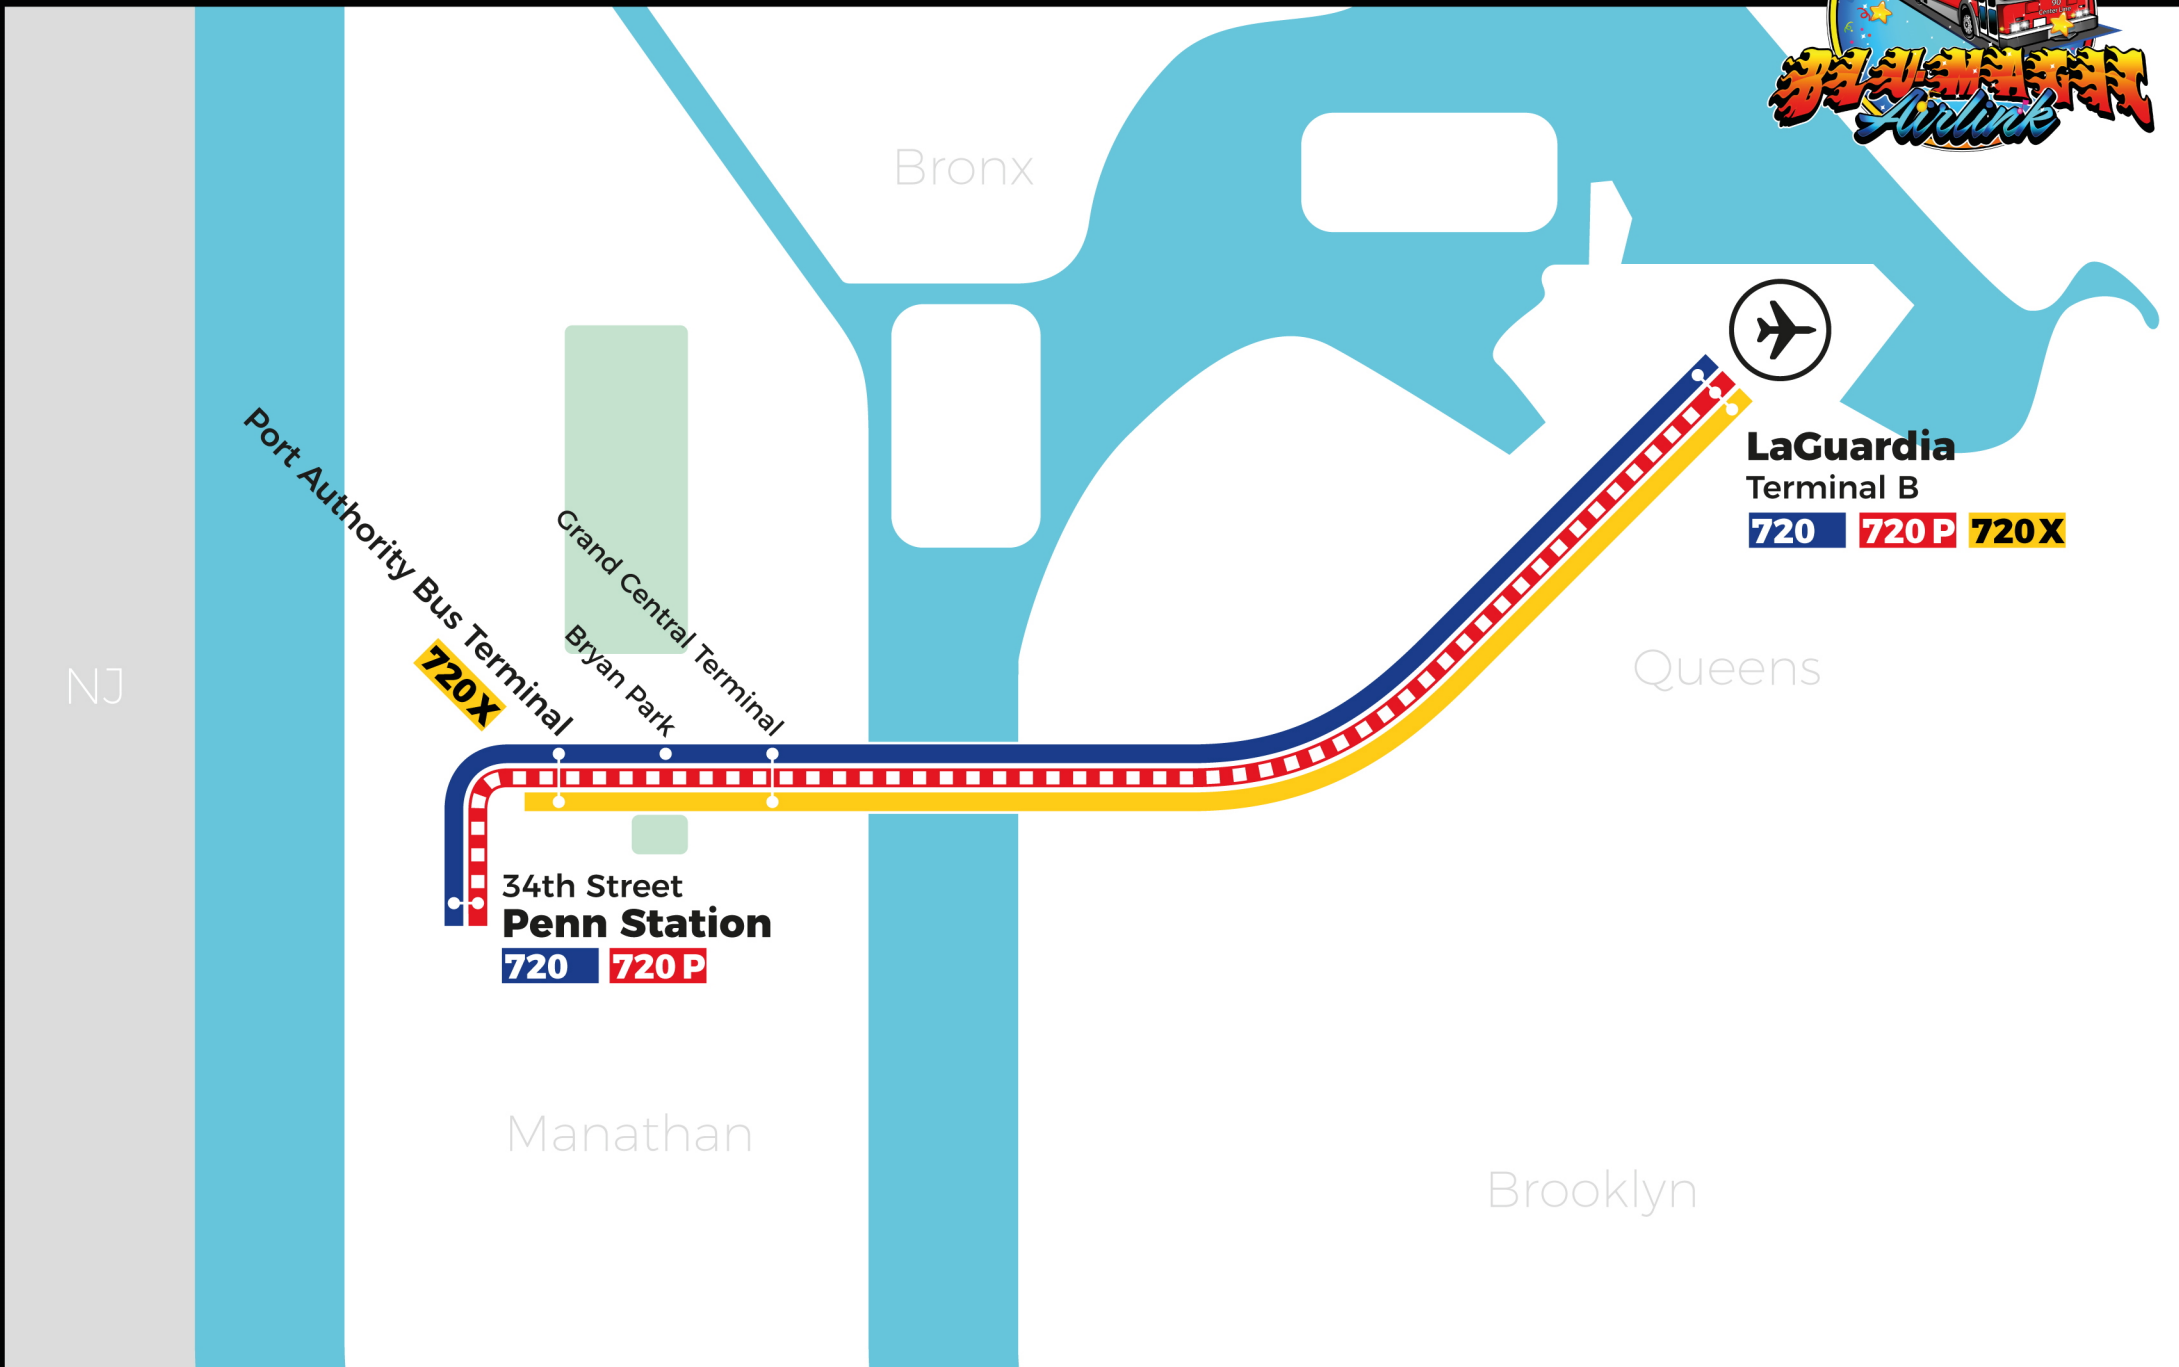

Space is limited and these slots will run out quickly. Passengers are **RESTRICTED** to one oversize bag per ticket. Once fulfilled, additional passengers with oversized luggage will not be allowed to board the coach with these type of bags.

Please plan accordingly. Small carry-ons are permitted free of charge. ADA passengers **MUST** call ahead of time to schedule the service they are wishing to catch.

Additional transportation will be arranged for ADA customers depending on the situation.

Thank you for riding with us, the Blu-Magic Airlink Express!
We hope to see you again soon!
